Dear Sweetwater Education Foundation:

I would like to take the time to thank you for the generous scholarship awarded to me made possible by you. Without this scholarship it would be a great financial challenge for my parents to be able to finance my college education. We often fall on hard times, but this scholarship will ease their stress in those times and keep our spirits high that I will not only be able to start my higher education here at SDSU, but continue and finish it. I am very thankful for all your help in jump starting my education here at SDSU because it has been such a wonderful and great experience. I cannot picture my life any other way and I know I am on the right path to success in my future. I owe part of that to you and thank you very much and hope that one day I can do for someone what you have done for me.

Sincerely,

Diana Barreto
