Dear Sweetwater Education Foundation,

I would like to send this letter in order to thank you for the wonderful opportunity you have brought me. If it not were for you, I would be unable to attend this great university and instead would most likely have to go to a community college. It is thanks to you, that this great opportunity is bestowed upon me and I am truly thankful for that.

I have worked hard my whole life in order to be accepted into a great university like San Diego State University so I can study for the major best suited for me. Ever since I first heard about it, I knew that was the university for me. All my studies were dedicated to getting in and so I could learn skills that can help me when I get there.

And now because I have the required financial aid needed to continue attending this amazing university, I will be able to pursue my dream, and it is all thanks to you.

Sincerely,

Juan Loera
