Dear Sweetwater Education Foundation:

I want to take a moment to thank all of you, for your time, dedication to diversity and the advancement of young people like myself. Thank you for giving yourselves the opportunity to create a program that allowed me as a student to reach my goal and attend San Diego State University. I can imagine it must have been a tough decision to choose me out of so many students. I want to thank you for the Compact Scholarship, this award has opened a door that allows me to accomplish my goals obtaining an education, to graduate with a Bachelor's degree in Journalism and attending San Diego State University without having to worry about the financial pressures. I know that this scholarship will allow me to achieve these goals, and that one day I too can give back to the community as you have done so.

Best Regards,

Eduardo Santacruz
