Dear Compact for Success:

I write this letter in order to express my deepest gratitude for being awarded the compact scholarship. This will help tremendously with my college expenses that have been so unexpected. Also, I would like to add that after meeting with Janet M. Osterbye, head of The Compact Scholars Program at San Diego State, I can see that you will be there to help me throughout my college career should I need it, and for that I am also grateful. Never had I experienced such concern for my success in school then by people in the organization of Compact for Success. I cannot hope to express my appreciation by a simple thank you, but I do thank you.

Sincerely,

Tom R. Talamantes
